Dans un monde gris, futuriste et apocalyptique, un étrange voyageur et sa monture errent dans des terres désolées.
Obligés de se recharger en énergie, ils ne peuvent toutefois pas rester trop longtemps éloignés de la civilisation. Bien que d'autres créatures y vivent, la ville se montre pourtant tout autant inhospitalière, vide et morne. Mais partout où passe le voyageur, les choses se dérèglent, les machines perdent la tête et sèment le chaos. Il lui faut alors quitter la ville et explorer à nouveau les vastes étendues grises, seul.
