Once an animator at Disney Studios, Nicolas Keramidas now makes a living as a cartoonist in Grenoble. He's married to a wonderful woman, Chloé, has two energetic sons, and plays soccer every Sunday with his pals. He was also born with Tetralogy of Fallot, a rare combination of four heart defects that in 1973 made him one of the youngest children ever to undergo open-heart surgery. Forty-three years later, when his congenital condition stops him short during a soccer game, he'll have to face surgery again, a saga he details in this moving, humorous, and above all, very human memoir.

In this series

À cœur ouvert

D'AUSSE LOIN QUE
JE ME SOUVIENNE,
JE ME SUIS TOUJOURS
CONNU AVEC UNE
CICATRICE...

PARIS,
1974.

DU COUP, JE PASSAIS MON TEMPS À LA MONTRER À TOUT LE MONDE.

IL Y AVAIT AUSSI CETTE LÉGENDE...

C'EST RIGOLO COMME UNE SIMPLE PHRASE PEUT IMPRESSIONNER À CET ÂGE-LÀ.

MAIS PEU IMPORTE, MAMAN...

VRAIE
OU
FAUSSE...

... J'AI TOUJOURS
ADORE
CETTE HISTOIRE
DE BILLES.
