In Cosmo's world, teenagers develop superpowers: laser eyes, levitation, extraordinary strength... But for some, the superpower has no manifestation at all! This is the case for Cosmo, who goes to a center to help his powers emerge. Upon arrival, Cosmo soon realizes that the center is carrying out extremely dangerous experiments. With the help of his group of new friends, who, like him, have only "small" powers (but lots of courage), Cosmo organizes the greatest escape!
