You've spent countless hours playing Angry Birds... But do you really know them? Following the popular cartoon on the French network Gulli, this comic book series invites you to discover Piggy Island as you've never seen it before. From the peppy Blues to Jay, Jake, Jim, and hot-headed Terence, all your favorites are there! The Bad Piggies are in for it once more, in a series of short stories created by some of today's best authors in children's comics.
