Four roommates, four personalities from different backgrounds, from far away, very far away even since one of them is an alien! But which one?

First there's Coco, 22, the perfect shopoholic and Gigi, the rebel of the group, and the only Parisian of the lot. On the boys side, we find Mick, the good playboy friend always ready to help and Jon, an arts student. Morale is looking good, but strange things are happening ... Cats walking on the ceiling, sleepwalking and cakes appearing ... But who is the intruder from somewhere else in this flatshare?
