Underneath his shy, reserved exterior, Gabriel is in fact a psychopath, devoid of all emotion and compassion. It's an attitude that doesn't sit well with our reality, as he tries to suppress his nature to fit in better with the groups around him. But it's during a school trip that his destiny is about to change: the bus carrying him and his classmates is caught in a strange storm that takes them to the heart of a huge arena on another planet. There, they'll have to fight bloody battles to survive and earn the right to return to their former lives.
