Publisher : **Dupuis**

Genre : **Picture Books**

PAGES
200

VOLUME
1

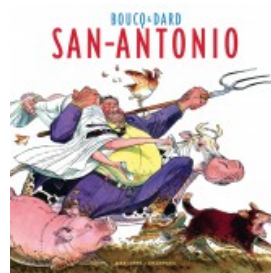

FORMAT
267 * 275

RELEASE
09/11/2018

This is an artbook presenting 103 original drawings created by François Boucq for the new covers of his "San-Antonio" novels, by Frédéric Dard. Each drawing is reproduced here in a new format, and various other elements (articles and interviews) make up the rest of the editorial and contextual matter included in the album.
