Billie is a little girl with a great sense of humor, a wild imagination and a stubborn streak. She leads a normal life until one day, while out walking in the forest, she finds a strange but harmless baby monster. The little creature seems to be wounded. Without telling her parents, she brings him home. It's not long before the two become completely inseparable. Marto (as Billie decides to call him) soon grows quite big and becomes Billie's protector. Billie Bang Bang is a series about our precocious, smart, immature, and sometimes tyrannical children. The children that are constantly defying adults' authority with their tricks and their jokes, even though, at the end of the day, all they want is love and protection. Children who live in a world that's generally safe, although there are some forms of violence from which they can't be protected.
