One morning the horrible little boy Billy wakes up to find himself metamorphosed into a cat. From that moment on he has to endure the sick jokes and stones thrown at him by the neighbourhood yobs. On top of that, he's exposed to the thousand-and-one dangers of rough street life. Luckily for him, you do sometimes come accross good souls in the animal world.

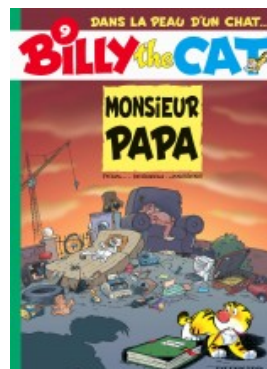

In this series

Le Chaméléon

Les machines à ronronner

Monsieur Papa

La Vie de chaton
