Created in 1961 by Rosy and Deliege, Bobo started life in mini-stories published at the time in the Journal de Spirou. Making his first appearance in the Journal's pages under the title of "Bobo s'évade", the convict of Franco-Belgian comics is continually escaping from Inzepocket prison. Full of delightful supporting characters, drawn with the curvy lines of Paul Deliege, Bobo's universe remains friendly, packed with gags and crazy situations. To be (re)discovered in this omnibus edition!
