RELEASE
07/02/2025

Pirates they be, the damned and the outcast, sworn never to set foot on dry land again, endlessly sailing the seas toward the unknown, certain death their only release. But man proposes, fate disposes. These jaded souls stumble across an amazing find: a mysterious marine creature who, against all expectations and much to the captain's displeasure, sets crewmembers against one another. For the Carcoma, a dread wind is about to blow...
