Sam Hicks: ex-SAS, no ties, no family, and nothing to lose. Darwyn: his former Sergeant. Umata: a deadly female operative from Israeli Special Forces. They're the perfect team to go deep undercover and take down Darkwater, the outfit that's made private military contractor Jason King a billionaire, profiteering from war the world over. Because King isn't content with just riches; he wants power. His next step? Fascist empire. Amazing Améziane's wild yet thoroughly researched world of tough-talking mercs, pop-art layouts, twisty plots, and pop-cultural references are a must for fans of hardcore action from "Strike Back" to "The Losers."
