A thick mop of blonde hair, a mischievous smile, short little legs ready to run into any adventure, no matter how foolish it may be...Meet the naughty Caterina, a daring little girl with no shortage of determination! Small in size but not in character, she's not afraid of anything, especially not the challenges that her friends, Gigetto and Manuele, throw at her!

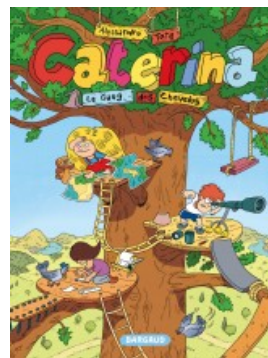

In her imaginary world, everything is fantasy, poetry and humour. We come across the wackiest of characters, from the ugly fairies to the dwarves with teeth that any dentist would shrink from.

This little mischief maker is not someone you want to rub up the wrong way if you want to join her gang, because at the slightest provocation, she snaps! Nobody can tell her what to do! But when it comes to saving her friend Manuele, there's no hesitation - she runs straight to his aid and embarks on a journey filled with danger...
