Paris, 1991. Two policemen hear a loud cracking noise, the cry of a man, and then a woman yelling: "Murder!" They immediately rush into the building. They break down the bedroom door and discover a corpse with a prehistoric axe embedded in the skull. The problem is that there is no one else in this room, and yet the door was locked from the inside...

A tribute to the crime films and novels of the 30s and 40s by Thierry Smolderen, illustrated by the great Jorge Gonzalez. With its gripping storyline and impressive artwork, this is a must.
