This adult, gritty urban thriller is set in the world of organized prostitution. The series tells the story of two young cops, one male and one female, who are assigned to take down an Eastern European prostitution ring. To do it, they will have to infiltrate this dark underworld. But can you spend time in the gutter without leaving your soul there... or your life?

All 5 volumes of this captivating crime series are now collected as an integral edition.

In this series

Cellule Poison - Intégrale complète

* JOE COCKER - YOU CAN LEAVE YOUR HAT ON.
