Choc is the baddie in 'Les Aventures de Tif et Tondu', an elegant masked man with a cruel heart. But what is the backstory of this nefarious gentleman? This is the intriguing question that Maltaite and Colman seek to answer in these two thriller albums with a realistic art style and a film noir twist. A perfect tribute to Eric Maltaite's father, Willy, who created the character in 1955.

In this series

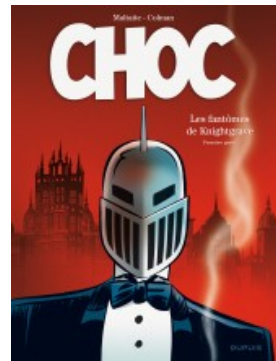

Les Fantômes de Knightgrave (troisième partie)

Les fantômes de Knightgrave (première partie)

Les fantômes de Knightgrave (deuxième partie)
