Imagine a world in which everything you write comes to life. Now imagine someone who decides to use this tool for the most sinister of schemes ...Desperate times call for desperate measures, they say. Thus the City Hall police find themselves in a situation where they have no other choice than to call on two of London's finest pens: Jules Verne and Conan Doyle. So it is that these two literary celebrities in Victorian England rustle up their finest work in order to combat a psychopath who's spilling a bit too much ink.

2012 Dlire-Canal BD prize for best manga and 2012 prize for the best manga-style comic, awarded by Animeland readers.
