Ex-agent of the Secret Service and colonel to Her Most Gracious Majesty, Sir Harold Wilberforce Clifton has become an amateur detective. Scotland Yard consider this excellent old hand as insightful as the illustrious Sherlock Holmes! Without ever losing an ounce of his "British" touch, he resolves complex enigmas for the police and thwarts the plans of unscrupulous crooks. At the wheel of his famous MG convertible, Clifton punctuates his cases with the indispensable "teatime," cheeky remarks, his devoted housekeeper Mrs. Partridge, and the attention demanded by his cats. Full of twists and turns, Clifton's adventures are presented by some of the biggest names in humorous comics. Now this new volume is written by Zidrou with artwork by Turk.
