A team of researchers sets off for Antarctica to study global warming. But Leia, a former member of the agency Imago Mundi, soon becomes disillusioned. The ecological problems of our day lie at the heart of this scientific mystery.

Launched during the International Polar Year (a year of working together on an unprecedented international research effort to better understand our planet and its changes), Climax is a four-volume spin-off series from Imago Mundi.

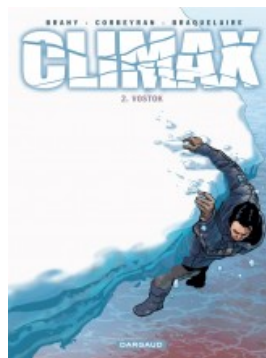

In this series

Les faiseurs d'aurore
