Do we need to introduce Gaston Lagaffe? This dreamy and inventive character, who has brainwaves that are as unexpected as they are catastrophic, is one of the most famous Belgian comic characters ever. Whether he is meddling in improving office life, looking after a cat or a seagull, inventing musical instruments or tuning his car, Gaston inevitably causes unforgettable explosions, fires and disasters. A must-read comic strip series, created by the great André Franquin, which as a matter of urgency must be put into the hands of all those, young and old, who are not yet not familiar with it.
