RELEASE 06/02/2009

As everybody knows, Cupid is the little god of love. He shoots his arrows as he pleases to arouse the fiercest passions and inspire the most unexpected unions... Luckily, there are Saint Peter, Cauvin and Malik to tidy up in his wake. Love is blind, but still, there are certain limits! The perfect gift for Valentine's day, but just as loveable all the other days of the year!

In this series

Elles et moi

Solitude

Rien que pour vous!
