In search of answers regarding the mystery of his past, Darwin breaks open the Skywood—a sacred relic from his lost ancestors, the Dai-Kinn. By doing so he releases its strange and dangerous powers, with multiple unpredictable effects, and learns that a fragment of the Skywood has fallen into the wrong hands. With the help of Wanda, his short-tempered half-sister, Darwin goes searching for the island of Astoria in an attempt to recover the fragment and finally uncover the truth about his ancestry.
