Each year, F'murr makes unique greeting cards for his friends. In 2009, he decided to draw two thousand girls, sketched on the terrace, in the street, in restaurants, wherever he went. Even if he wasn't able to draw precisely 2,000 girls, his notebooks of year 2009 gather several hundred of them — this book offers a selection of these drawings. F'murr never drew fantasies. His women are beautifully real, and provide an amazing artwork!
