This is the comic book adaptation of the classic children's picture-book series. The Famille Passiflore [Bellflower Bunny Tales] series has seen the appearance of 24 volumes in France since 1987, published by Editions Milan. These books — which average sales of 20,000 to 50,000 copies — have been translated into numerous languages (23 languages in 24 countries). They have also been turned into an animated cartoon series (52 episodes of 26 minutes each).
Volume 1: L'Anniversaire de Dentdelion [Dandelion's Birthday]

Today is an important day for the Bellflower family: it's Dandelion's birthday! The whole family works together to prepare a terrific surprise party: Dandelion is sent to work in the garden with Mistletoe, while Aunt Zinnia gets the ovens ready, Papa Bramble puts together an enormous gift and Poppy, Violette and Periwinkle prepare the invitations and decorate the house for the party. But an uninvited guest threatens to ruin everything...
