Lucien is a henchman—a henchman that has always done his job cleanly and correctly. Until now. Because this is the moment he must face the music... and adopt the identity of a young priest appointed to a remote country parish. But Lucien is amazingly adaptable. As he himself puts it, “Religion is a business that’s all about death, which is something I know a bit about.” He quickly sizes up the situation. To survive he will need cash—and he thinks he has ways of finding that...
