The famous Doctor Frankenstein is back! Now an Ambassador to a tiny country in the middle of nowhere, he continues to create monsters, only to let them go wandering around the village which has been foolish enough to take him in. A new series of macabre gags, madly witty and mischievously funny, from Pierre Veys (Baker Street) and Franz Duchazeau.

## In this series

L'Homme qui murmurait  
à l'oreille des monstres

Le Chirurgien des  
Baskerville

La Menace Frankenstein
