The series is a collection of short stories around real-life stories, sometimes an hour, a day or a whole life. It's often inspiring, moving, sometimes hard or funny, but always life changing and unforgettable.

In Volume 1 we will look at:

- Recruitment into a cult (Jehovah's Witnesses) and how to manage to escape.
- Is love stronger than religion? A tale of clerical celibacy
- Where is the line of consent in a relationship?
- The trauma around the Rwandan genocide seen by children.
- A love story that finally started after 40 years.
- The incredible journey of a criminal that becomes an elected politician.
