## Jungle Book

By Quenton

## Publisher : Dupuis

Genre : Fantasy & Esoteric, Literary adaptation

In a world where animals have taken over from humans, a girl called Mowgli has been adopted by a family of wolves, with whom she will grow up without knowing who she really is. When their home is destroyed by Shere Khan, she runs away to protect them and tries to find out where she came from and why all other humans have disappeared. Taken in by Baloo and then guided by Bagheera, she learns from her successes and failures as she grows up, until, as an adult, she is ready for the final confrontation with Shere Khan.

A re-imagining of Kipling's "The Jungle Book" stories set in a post-apocalyptic world from which humans have all but vanished.
