Once upon a time in the east... was a mercenary called Kogaratsu. Whether as a samurai in the service of a lord, an errant knight without fixed attachment, caught in a fratricidal war, or confronted with superstitious farmers, Nakamura Kogaratsu always maintains the same life principles: honor, love, and weapons. And in the tumultuous Japan of the XVIIst century, honor is the small margin between life and death, love a weakness and the strength of weapons a calling.
