Héloïse Solt brings us a rich homage to her childhood: an original recipe to fight boredom... not forgetting that it doesn't take much to feed a child's imagination!

A feast of poetry and fun.

Everyone is bored stiff today. It's plain to see. The adults watch the kids and the kids watch the adults. I watch everybody and decide it's high time to do something about it. In order to save this afternoon from disaster, I announce: "Oh bother! Dinner isn't ready yet and our guests will be arriving any minute. We must make them the most delicious dish the world has ever seen." I'm met with stunned looks. What? I don't want to have to explain the whole darn thing.

The key is to express yourself. Shall I continue?

In this series

La Choucroute

À chaque fois, les parents, ils veulent qu'on aille jouer ailleurs.
Ça veut dire dans la chambre.
Mais c'est pas drôle, la chambre.
On est tout serrés et on se sent oppressés dans notre liberté.

Oui, rien que ça.
Et je n'ai pas peur de le dire!

«Oyé oyé! C'est l'heure de la Choucroute géante! Prenez place madame Patate, monsieur Lardon. Tous à vos postes ou je vous pèle le derrière!»

C'est la consternation.
Et pourtant tous
les ingrédients sont là.
