After *Palais Bourbon* and *Carnets de Campagne*, Kokopello set off to Brussels, Strasbourg and nine European countries, to meet journalists, MEPs, European Commissioners and ministers. For a year and a half, since the start of the war in Ukraine, he has criss-crossed Europe, roaming the corridors of the European Commission with the aim of explaining how Europe works and what are the upcoming challenges: climate change, the energy crisis, the EU's place in the world, foreign interference, and the immigration crisis against the backdrop of the war in Ukraine.
