## Ladies with guns

By Anlor & Bocquet

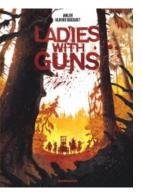

The Wild West is not so kind to women... A runaway slave, an Indian woman separated from her massacred tribe, a bourgeois widow, a prostitute, and an Irish woman in her sixties all brought together by force of circumstance. Men who want to keep them locked up in a cage. Women who decide to fight, and it's going to get ugly! Ladies with Guns is the story of the unlikely meeting between two extraordinary women who refuse to be victims. An iconoclastic and jubilant western which pulls no punches.
