By Mazé & Portella

Publisher: Little Urban Genre: Picture Books

"She's coming by the house this afternoon: Dad's friend. My heart keeps

faster and faster. I have to change and tidy up my room! Maybe seeing how lovely and tidy I am will make her stay for dinner. Wouldn't it be great if Dad and her could fall in love? It's so great when we're together, the three of us."

A sweet and modern take on the love life of a divorced father, seen through the eyes of his mischievous daughter, wonderfully written by Angela Portella and fantastically drawn by Léa Mazé.
