RELEASE  
04/01/2019

When Lewis Trondheim, Guillaume Bianco, Julien Neel, Yoann, Tebo, Pedrosa and Bouzard tell the behind-the-scenes story of a graphic novel workshop, the result is Mastodon: a delightful number that you won't be able to put down!

With a healthy dose of self-deprecation, each author and protagonist from the workshop recounts their imaginary adventures through a sequence of witty gags.
