September 1940. At the height of the London Blitz, Isaac, an aging widower, finds a lost child called Mary. Amid the crush and the panic he decides to take her to the safety of the nearest subway station. To distract her, he starts telling her a story he has just made up: about a wonderful princess called Rebecca, who is prepared to do anything to save her people. But will it be enough to make Mary forget the horrors she has witnessed in the streets above? Will Mary ever be reunited with her mother? And what is the terrible secret Isaac is keeping from everyone?
