Unique among the armies of the world, this is the story of the French Foreign Legion. Despite the obvious fascination this branch of the French army has held for directors in Hollywood, few people know very much about it. Describing everyday life in the Legion, the rules that govern it, the myths that surround it, and the most recent conflicts it has been involved in, Legio Nostro is an in-depth account for those who want to learn more.

In this series

La Légion étrangère d'hier et d'aujourd'hui
