Colonial Massachusetts, early 1690's. When a young girl in a Puritan town rejects a farmer boy's gift and instead slips out into the forest to dance with a young man from the Abenaki tribe, it sets off a chain of events resulting in one of the worst cases of mass hysteria in U.S. history, as neighbor turns against neighbor and friends accuse friends of the most terrible things. A fictional re-imagining of the Salem Witch Trials, in which gender politics, religion, xenophobia, innocent games of fortunetelling, and one man's sinful indiscretion are all factors that lead to the deadly witch hunt.
