His name is Pierre-Marie Dragon, and he is a dragoon in the French army. Is it Mr. Dragon or Dragoon? Sometimes it can get a little confusing! Pierre-Marie Dragon is tall, handsome, and intelligent. He is a skilled horseman, a precision shooter, and an outstanding swordsman. Sure of himself, he can come across as a bit of a haughty upstart sometimes. But his sense of humor, his love of freedom, and his anarchism make him a very sought-after companion. He only has three faults: he is a coward and prefers to flee instead of standing his ground, he is a thief, and a Don Juan that will happily sleep with everything that has a pulse! From the battlefields of the Revolution to the Napoleonic campaigns and the Restoration, the Dragon dragoon is the anti-hero you'll love to hate!
