One evening in New York, a desperate man entrusts a group of children with a coded letter and then disappears. The missive is for a crazy old man in the neighborhood. Travis, a newcomer to the area, rises to the challenge and goes into the old man's apartment. There, he understands that he is in fact Nikola Tesla, the pioneer scientist of electricity, and that his inventions are being threatened by the destructive madness of his arch enemy, Edison. Travis will have to help Tesla to keep his discoveries under cover...
