Bringing back to life Winsor McCay's famous characters created in 1905, Frank Pé invites them to wander in his own wild and poetic world. The author of Zoo and Broussaille adopts the elements of McCay's revolutionary work to create this moving, colorful, large-format homage to a beloved classic. From one century to the next, Pé offers a wonderful rewriting in the style of a dreamy journey; a paean to nature and the mysteries of childhood.

In this series

Little Nemo
