Léna is a beautiful, dark-haired young woman who travels alone through the ruins of Eastern Europe, on an unknown mission. As she moves through this world in decline, she meets repeatedly with strange figures, apparently engaged in dark and mysterious trafficking.

What motive brings her to such improbable places? And why is Léna marked by such infinite sadness? This series features a lyrical, literary script by Pierre Christin, brought to life by the superb artwork of André Julliard.

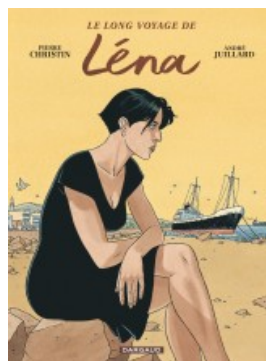

## In this series

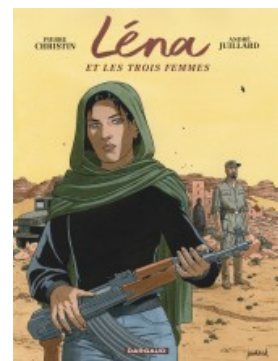

Léna dans le brasier

Léna dans le brasier

Le Long Voyage de Léna

Léna et les trois femmes
