The "Marzi" series came about when a Polish woman studying in France met a comic book illustrator. Listening to her childhood recollections, he found in them the stuff of the most promising graphic novels: wonderful, zesty stories, full of freshness and emotion. The series is a collection of short stories about Poland before and after the fall of the Wall, seen through the eyes of a child who becomes a teenager and, finally, a university student.

In this series

Marzi une enfance polonaise (1989-1996)

Marzi une enfance polonaise (1984-1989)
