Anselme's parents are going on a vacation... without him! Instead, he'll have to stay at his weird Aunt Olga's place in the middle of nowhere. But when Anna, a nine-year-old with a temper, pops on his doorstep and tells him she'll be taking him to Olga's house in the small town of Maverick, things take the most unexpected turn. The truth is, Maverick is nothing like your ordinary small town. Except if you live in a place where magic exists, where anything you imagine becomes real, where a power-hungry tyrant rules over the land by casting powerful spells and forcing on an unfair curfew upon his people. If you don't, you're in for quite the adventure!
