Metalfer is a dramatic chase through the city, conducted by two corporations competing for the briefcase that holds the latest revolutionary invention of the brilliant Dr. Jones. What does this suitcase hold? Why, the latest TOY -- destined to be all the rage this Christmas in every department store!!! Soon, the toy called Metalfer has succeeded beyond its producers' wildest dreams! Every child has bought one! And suddenly, on their own or in gangs, they're starting to reject the authority of grown-ups -- in a very forceful way! The war is on!!! In this apocalyptic climate, who will be able to restore order to the chaos? Metalfer 2, of course! The second generation of the toy, under the direction of the (extremely corrupt) mayor, leading an attack on the children. Get set for a whirlwind of metallic spankings...
