Created and directed by Philippe Graton, this collection has made graphic novels a reporter's medium. Thanks to the reconstruction of key scenes from the lives of remarkable characters, to the specialist texts and often never-seen-before photos, the "Dossiers Michel Vaillant" (Michel Valliant Files) tell real-life stories in a resolutely original way.

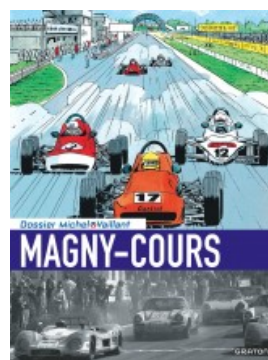

In this series

Les 100 ans du Mans

Le Circuit de Magny-Cours

Le Circuit de Magny-Cours

Le circuit Paul Ricard
