It's the 1930s. Two Parisian sisters, Agathe and Blanche, scrape out a living working as maids. The attitude of the carefree Agathe, who is determined to get the most out of life, contrasts with that of the timid Blanche. One night, the two hear strange noises coming from somewhere near their rooms. Too curious for her own good, Agathe is shot and dies instantly. This tragedy will transform Blanche's life: after escaping from the attackers, she undertakes her own investigation. It's an investigation far out of the ordinary, one that will eventually lead her into a house of pleasure...
