If I were a pig, my own little paradise would be a gigantic pool made of white marble, full of the purest water. If I were a penguin, my own little paradise would be an ice cream factory, so I could create a fish stick flavor! But I'm not any of those. I'm me. And my own little paradise is... you! A wonderfully sweet story about the things (and the ones) we love.

In this series

Mon petit coin de paradis
