Singer Otis Redding made soul history in just seven years. An icon of black American music, he topped the charts with songs such as I've Been Loving You Too Long, These Arms of Mine and Try a Little Tenderness. Although he went broke at the height of his fame, his posthumous songs, such as (Sittin' On) The Dock of the Bay, made him a household name. Covered by artists the world over, his music remains timeless... Immortal.
