Clumsy, single, sometimes a liar, unintentionally hilarious, Clara Pilpoile is a writer-for-hire. One day, she sets her sights on an impossible goal: to become the biographer of Alexis Trupichon, the world-famous Formula One champion!

Accompanied by her friend Ariane, Clara arrives in Monaco for the Grand Prix. Will Clara even be able to get in touch with the king of speed? Will she succeed in convincing him to tell her his life story? Will she manage to survive in the hell that is Monaco? Will she carry the race that leads to glory and wealth? Find the answers in "Scandal in Monaco"!

With her devastating, relevant and pitiless sense of humor — all served by a true artistic talent — Anne Simon may be considered the spiritual daughter of Brétécher or Reiser. Through her heroine, Clara Pilpoile, she ridicules the absurdities of day-to-day life from a female point of view: Simon gives no one an inch of leeway, neither men nor women.
