collection bringing together all three volumes of the series, Yann and Berthet regale us with the exploits of Poison Ivy: A Bayou kid who became a femme fatale, no but really 'fatale'...

At the dawn of the Second World War, Roosevelt created Women On War:

agents with... unusual powers. Poison Ivy teams up with a cannibal, a blind assassin and many others in the aid of the Allies, from China to Bir-Hakeim.

Three volumes and bonus features in the compilation paying homage to these Japanese-devouring,

spy-embracing women of the shadow, in the fight for the world's freedom!
